

PRESS RELEASE

MARCH 2017

At the European federation of Critical Care Nursing associations (EfCCNa) meeting in Belfast, Northern Ireland, held February 15-18, 2017, the inaugural Joint Session of the critical care nursing organizations – EfCCNa, the European Society of Intensive Care Medicine (ESICM), Nursing and Allied Health Section (N&AHP), the Society of Critical Care Medicine (SCCM), and the World Federation of Critical Care Nurses (WFCCN) - was held. Collectively, these leading critical care nursing organizations represent over 600,000 critical care nurses worldwide. The Joint Session highlighted the work of each individual international critical care nursing organization and it became evident that each organization, individually, as well as collectively, was advancing critical care nursing practice. As a result of joint session Belfast declaration is in the process of adopting.
